

REMARKS

Entry of the above amendments to the claims prior to examination on the merits is respectfully requested.

Claims 1-19 and 21 are currently active in this case. The present amendment cancels Claims 20 and 22, and amends Claims 4-6 to correct informalities. No new matter has been added.

Accordingly, an examination on the merits of Claims 1-19 and 21 is believed to be in order, and an early and favorable action is respectfully requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
